School Mission and Goals

Alston School provides all students and staff with a safe, supportive environment which promotes high academic achievement and empowers students to be responsible, productive citizens through high expectations and quality programming and instruction. The school community believes that parents and teachers must work together as a team to insure success for the children. Through an extensive parent involvement program, parents are empowered to be involved in the school and to support their child.

On Campus Incidents 1

A schoolwide safety and emergency plan is in place and practiced regularly. Visitors are required to sign-in and obtain identification badges upon entering the campus. Teaching and administrative staff work as a team with students to stop problems quickly so students can focus on learning. Our Character Education program teaches the students to show respect, and to solve their problems by talking about them. Many parenting workshops are provided with a focus on child health and safety.
